Dear Mustapha:

I wanted to thank you for all the conscientious service you have provided me over the last year. Not only do I appreciate your reliability each time I fly into our out of Cleveland for my frequent visits to The Cleveland Clinic, but I particularly appreciate you hosting my guests, who are less familiar with Cleveland than I.

It is a real help to be able to call you from the plane to verify I've landed and have you be at curbside when I walk out of the terminal. It's also a big help to have you drop my bags off at the hotel so I can go directly to the Clinic without delay.

I don't hesitate to recommend you to anyone who visits Cleveland and wants to assure himself he will be well taken care of.

Sincerely,
