Dear Mustapha:

I had the pleasure of meeting you during my trip to Cleveland. Your transportation service was one of the most superior transportations I have used regarding our visit to Cleveland Clinic visiting the Hanson Robotic Arm.

Again, it was a pleasure meeting you as well as your company. I wish you all the best in your future endeavors and I look forward to using your service if my travels take me to Cleveland, Ohio.

Sincerely,

Mohit K. Chawla, MD, FACC
