Reference: Letter of Recommendation for Mustapha Bounit

*My wife and I have used Bounit Brothers Transportation, LLC on several occasions during 2007 to travel between the Cleveland Hopkins Airport and Cleveland Clinic. We have always received nothing but exemplary service, including timely arrivals and departures (regardless of the hour requested), clean, comfortable vehicles, courteous drivers, and fair prices.*

*We can heartily recommend this company for anyone needing transportation services in the Cleveland area, particularly to and from the Cleveland Clinic.*
